Dear Mr. Keuch:

Thank you for your letter of 1 December 1980 in reply to my enquiry about an earlier letter concerning the assassination of President John F. Kennedy. As of this date, I have still not received the original reply and am unable to account for this except to assume that this very important letter was lost in the mail somewhere between your office and mine.

Sincerely,

Michael M Dworetsky

The original letter did eventually arrive, presumably via slow boat. M-D
